Re: *United States v. Alberto Moreta*, S2 19 Cr. 307 (RA)

Dear Judge Abrams:

Ronnie Abrams, U.S.D.J.
November 4, 2022

The Government writes in connection with the above-captioned matter to request that the Court schedule a status conference for the purpose of setting a trial date.

By way of background, the defendant was arrested on April 10, 2019, and indicted on July 12, 2019. Following a trial that ended in a mistrial on June 28, 2021, the defendant was formally accepted into the Young Adult Opportunity Program ("YAOP" or the "Program") on October 18, 2021, shortly before the scheduled start of a second trial. At that time, this matter was transferred to this Court for all purposes and the trial was adjourned *sine die*.

On November 2, 2022, the Government learned from Pretrial Services that the defendant was terminated from YAOP due to his non-compliance with program requirements and recent positive drug test for fentanyl and marijuana. Given that the defendant is no longer enrolled in YAOP, the Government respectfully requests that the Court schedule a status conference and that during such conference, the Court calendar a trial date.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
